Jamie,
I'm not going to miss
you next year because
I better see you. Come
by all the time. Hope
you're not living with
Randy so I can come
see you but I'll come
see you anyway. I
am really not mad

Old Buddy,

I should call you fatty.
After this we should go to
the "Leaky Roof" and have about
ten "quicks". I could still kick
your butt in for barfing all over
the rug and scratching my car
but I'll forget about it because it
was such a good "Head Buster".
I'll be waiting in the nearest
tavern in Caldwell. I'll buy
the first round.

CARDINAL

LINCOLN HIGH SCHOOL
PORTLAND, OREGON
ONE HUNDRED YEARS
1869—1969

LINCOLN 100 YEARS AFTER. What is high school in 1969?

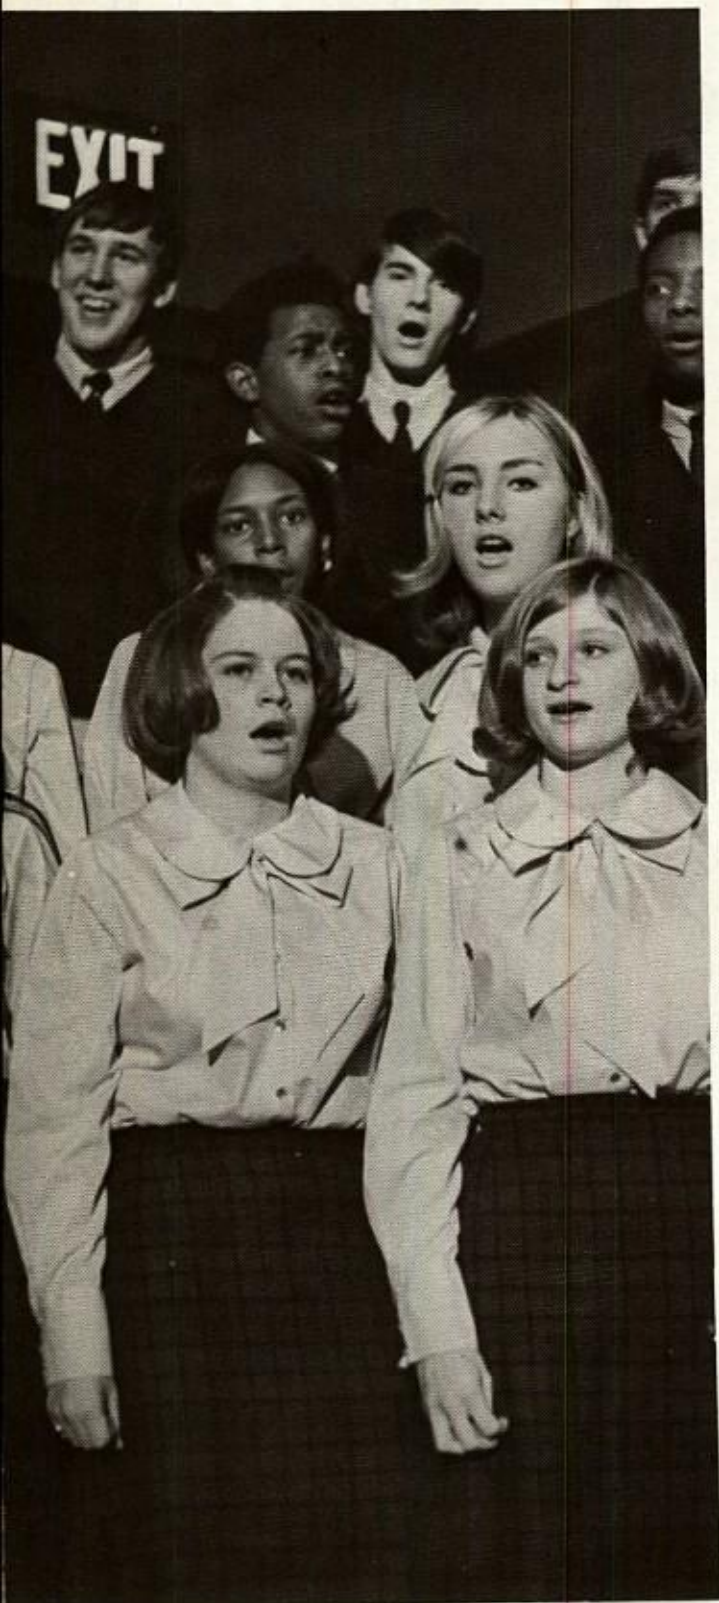

Does anybody ever teach anyone anything?
You cannot teach me
But I can learn

If you lend me your experience to amplify my experience.
Lincoln in 1969 is a microcosm, a world crowded with
learning, in class and out. Whether it be frisbee or
phoning, sketching or talking, I am learning.

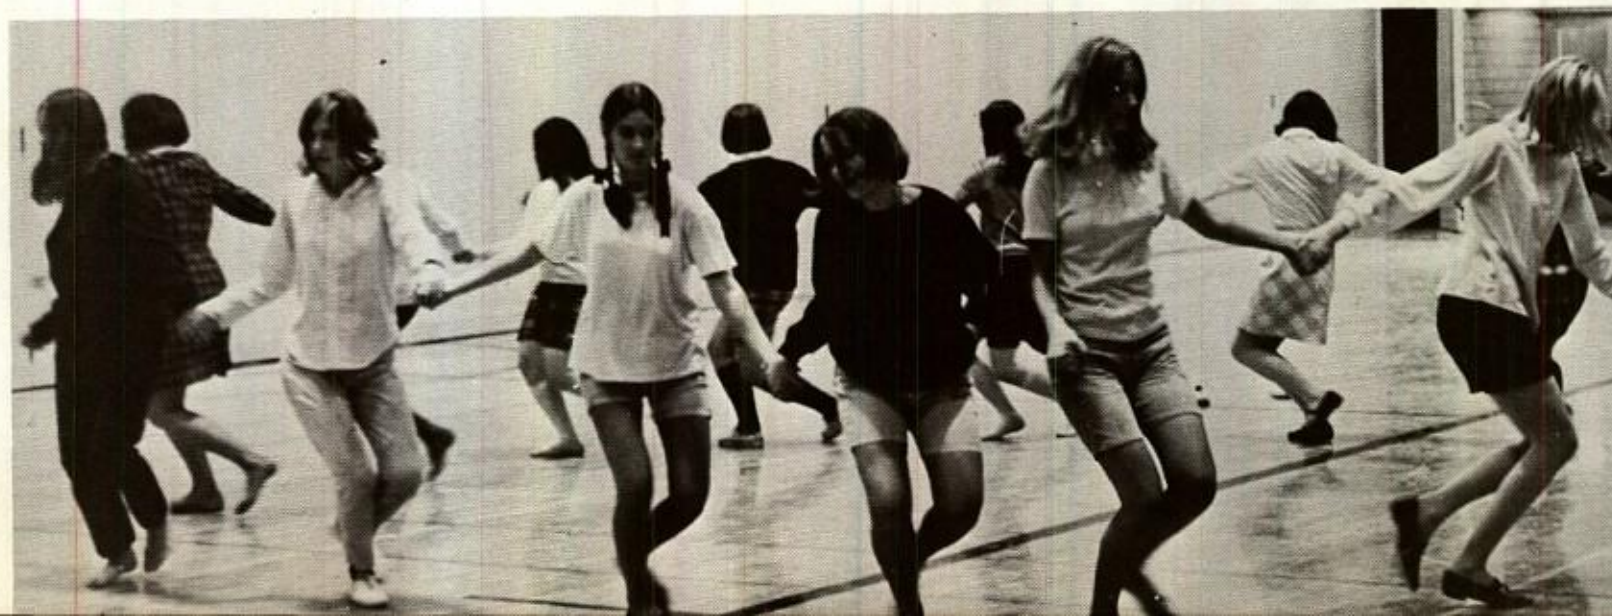

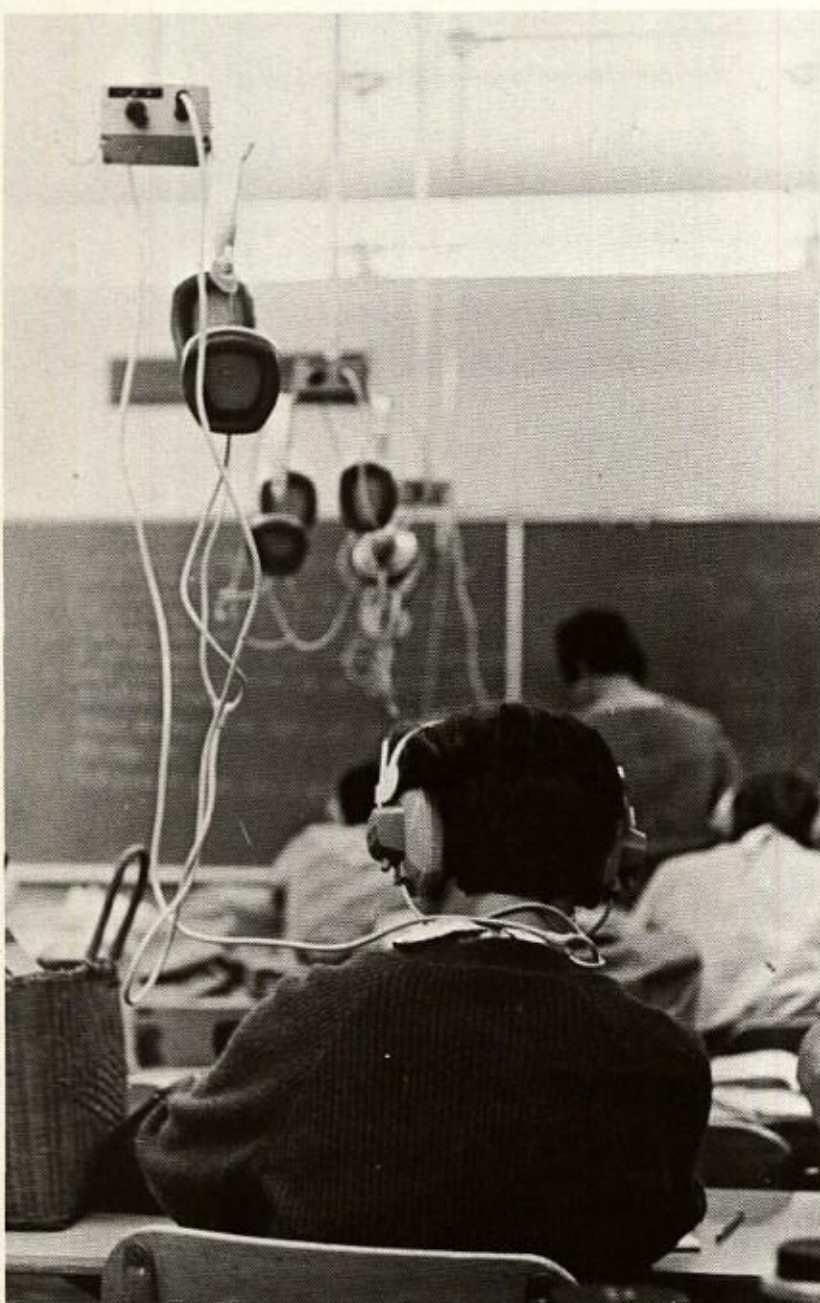

Singing and dancing bring to the surface an awareness of joy often suppressed.

I get the idea. My eyes and ears are compelled to work. I gather evidence from all sides and sift and weigh it. I experiment. Only then am I ready to make a judgment.

Sophisticated equipment helps me to communicate in a language I didn't know before.

I pause between sight and sound . . .

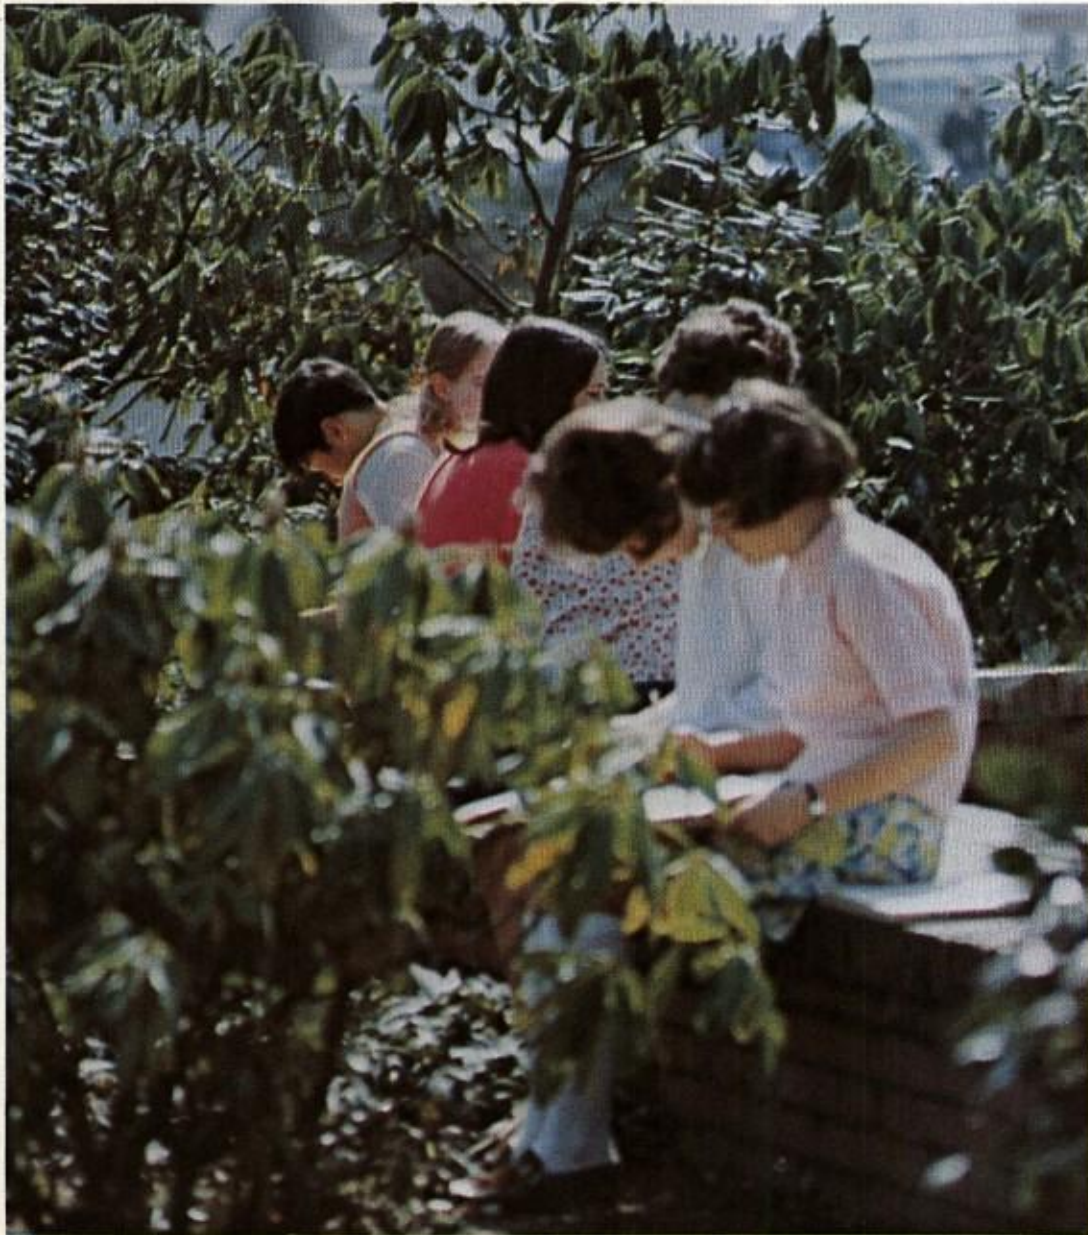

to listen to an impromptu reading of "Reflections on a Gift of Watermelon Pickle"

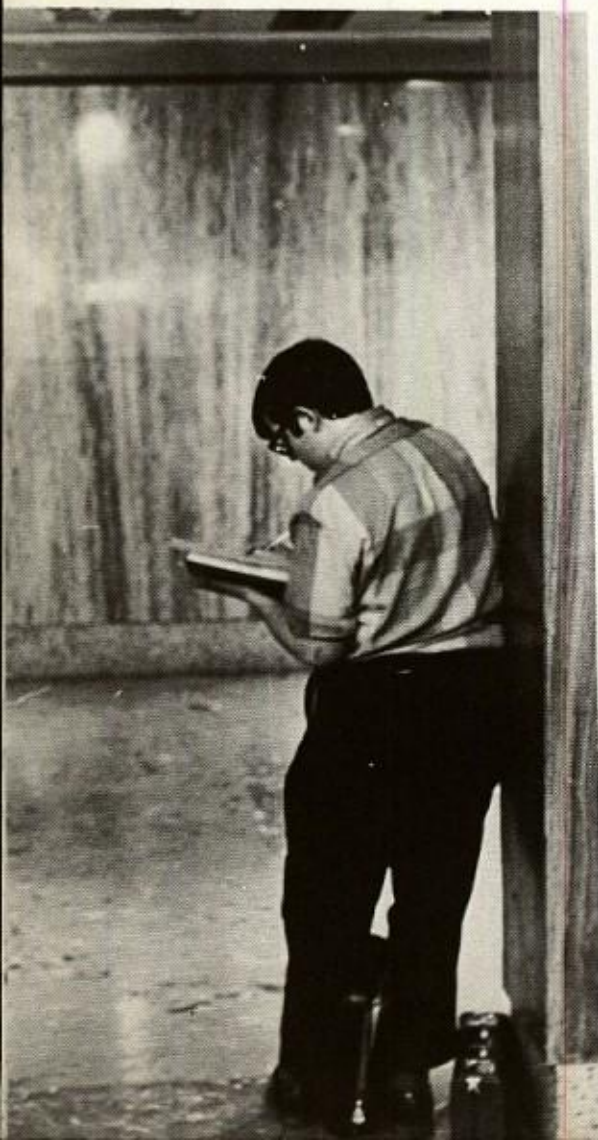

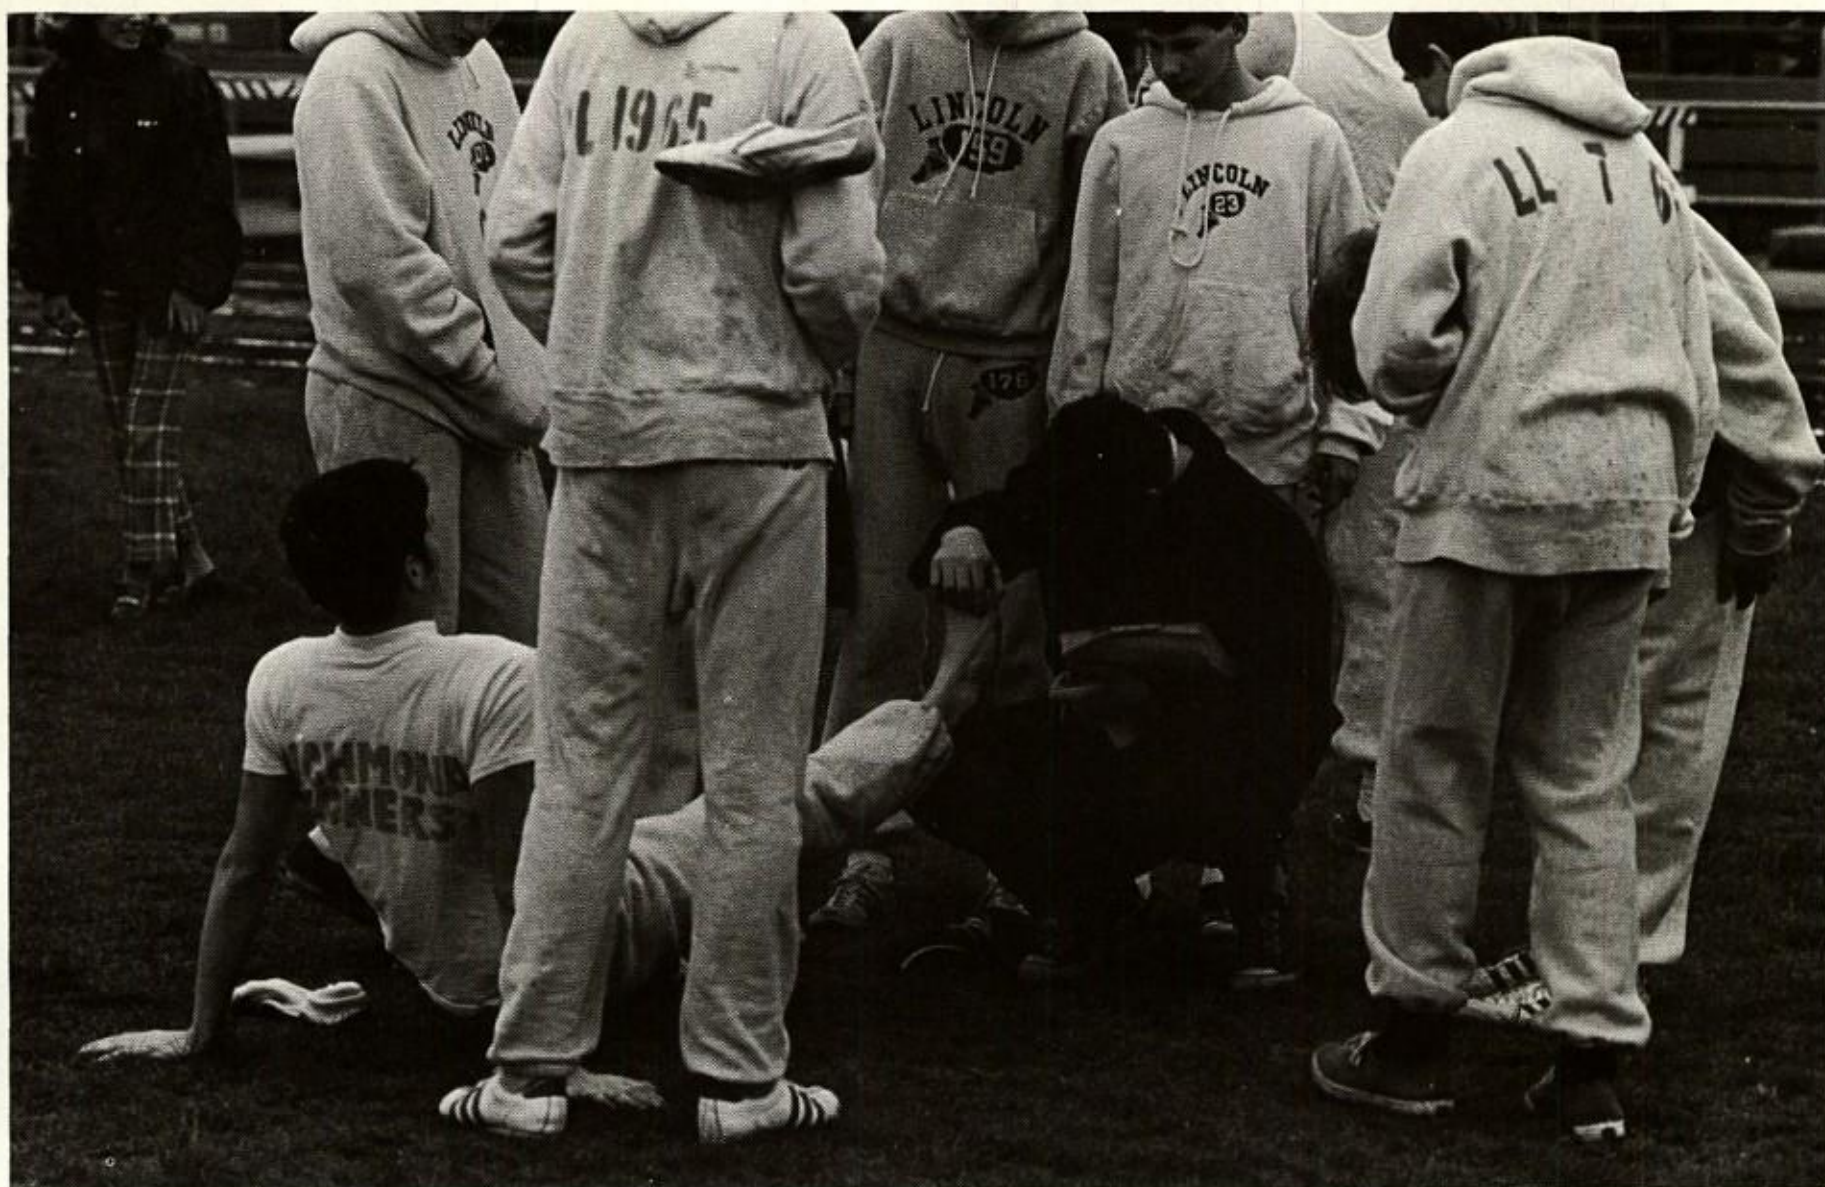

to see that black is indeed beautiful.

Choirs, sports, cramming, goofing off repeated a thousand times are never the same experience. I complain about routine but I learn. Shying away from any suggestion of flag-waving, I shelter a secret pride in Lincoln's Bellamy Flag Award to one of the nation's outstanding high schools, a pride renewed as Senator Hatfield sends us a new flag to replace the old.

Information, techniques become obsolete

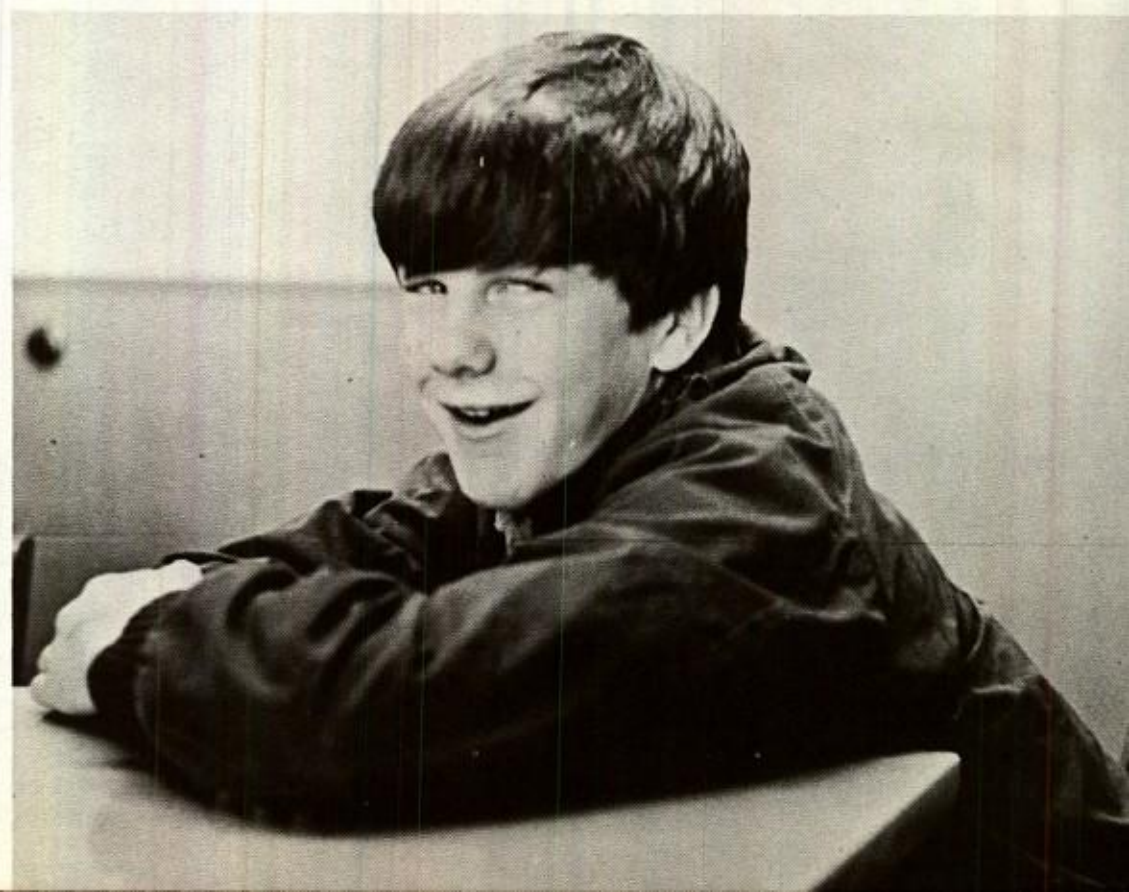

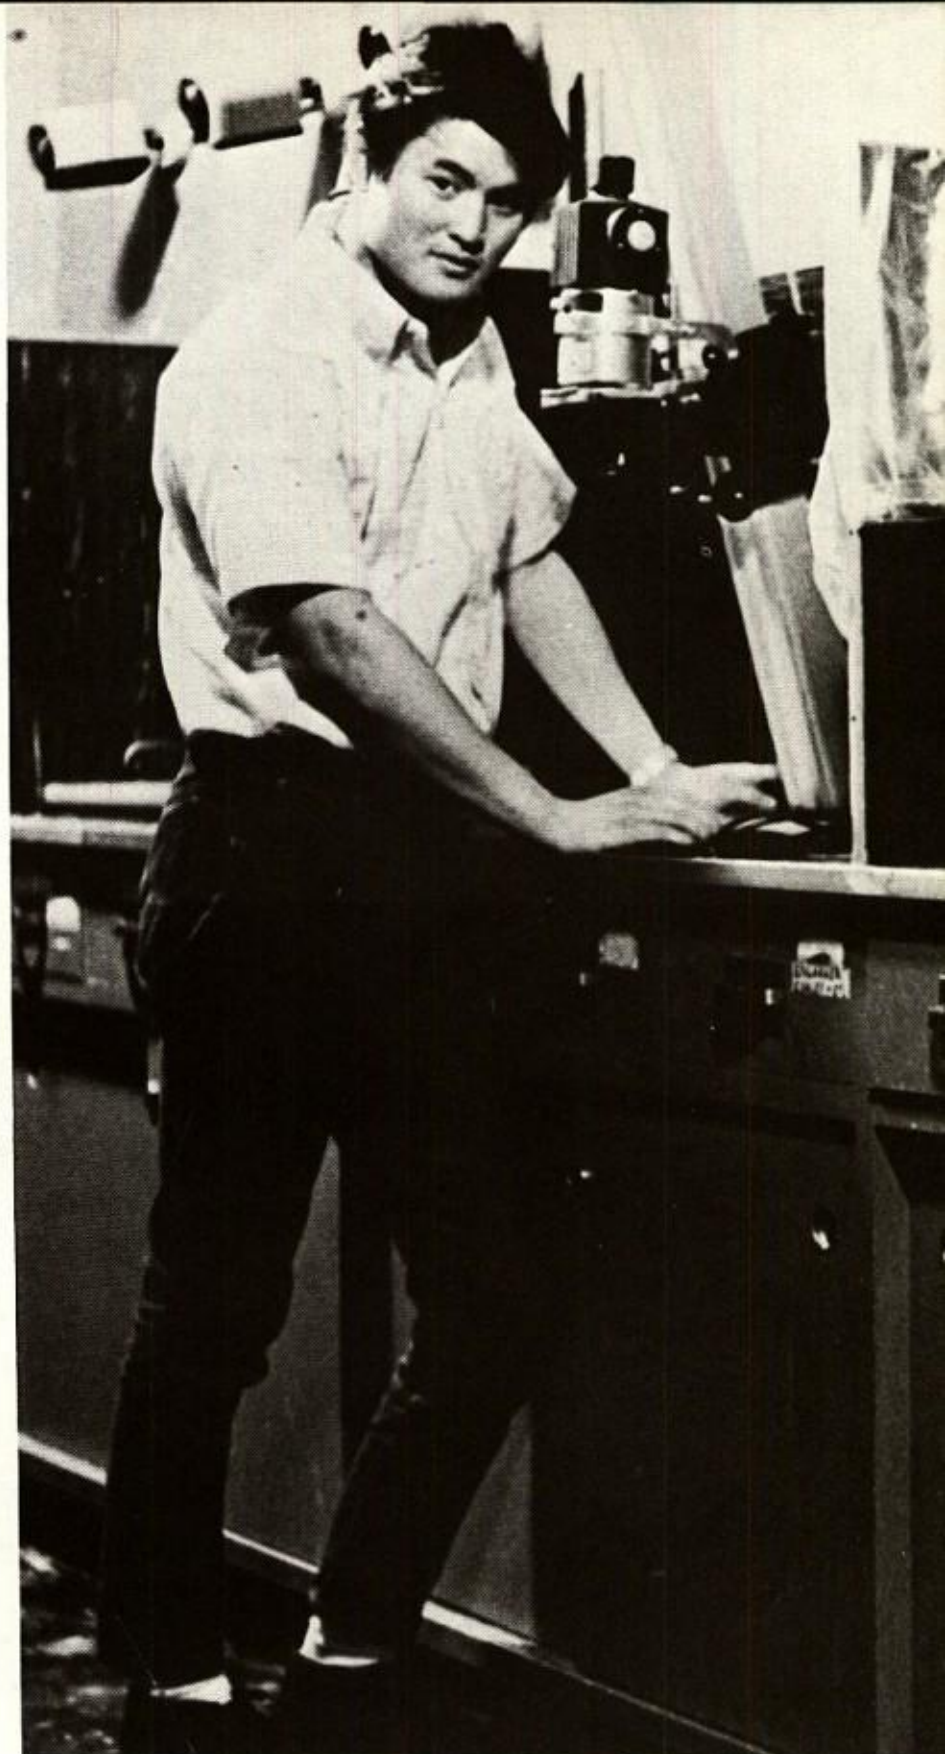

but concepts once mastered remain timeless

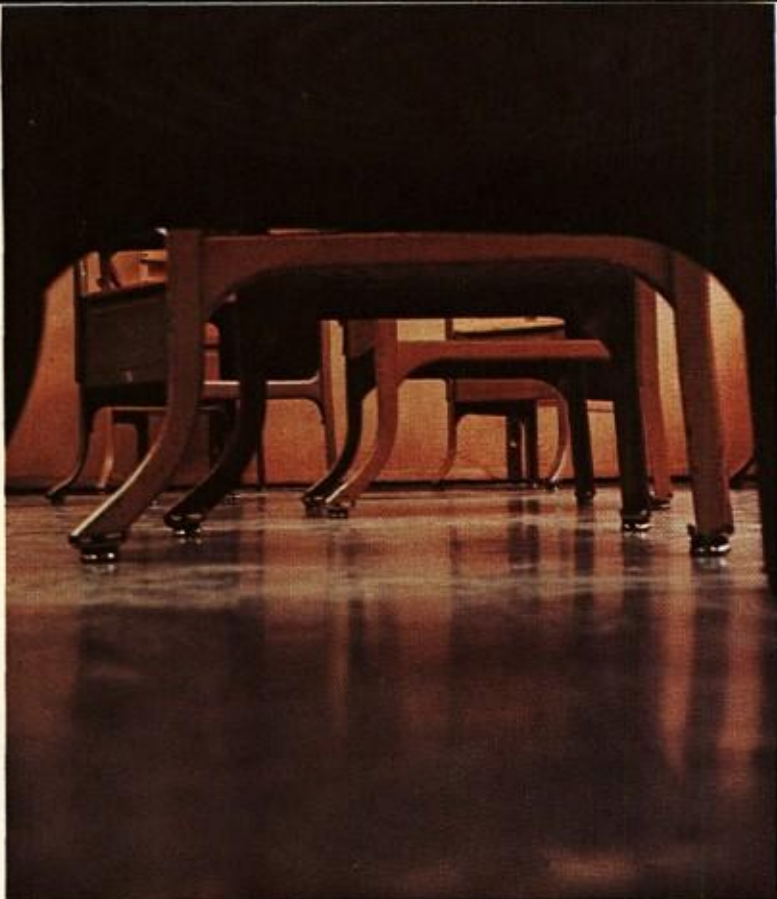

Serious moods alternate with laughter out of boredom,
new ideas are created, new moves contemplated ...
There comes a moment when the school is hushed.
The mops swish clean the cluttered floors. I am cu-

riously reluctant to leave. I linger in the quiet halls until
it is time to plunge into the rain. The world out there
beckons me.

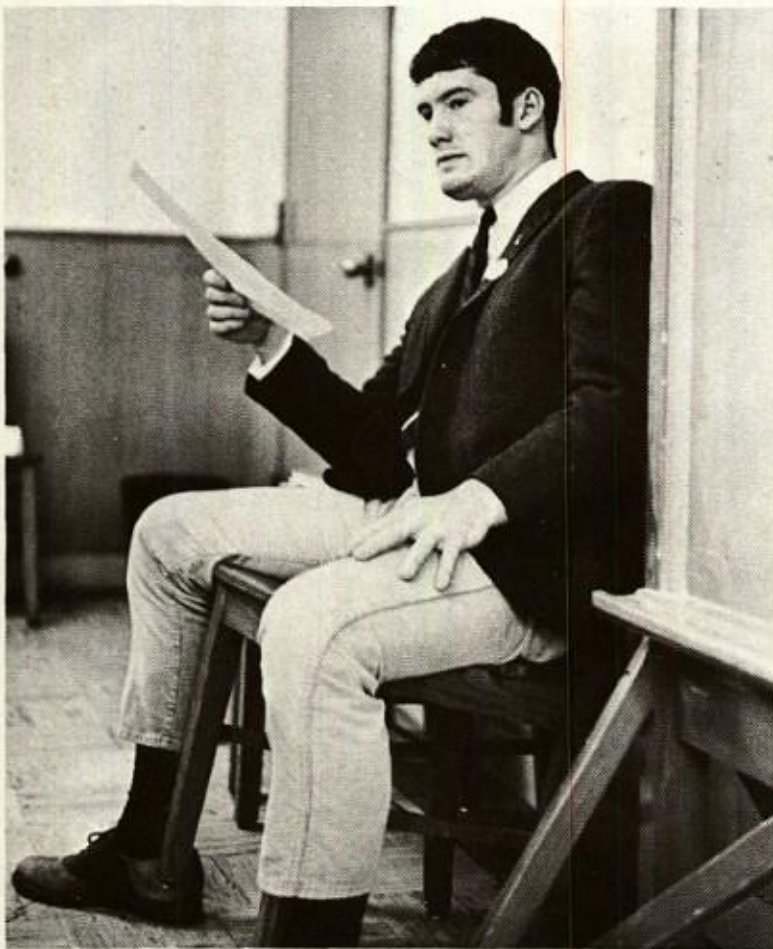

Fall Student Body Cabinet

Under the expert leadership of fall president Mark vonBergen, this active cabinet instigated many new and exciting projects. Such ideas as the return of the Mardi Gras Dance and Court, a new dress code, and placing the yearbook editor on cabinet materialized, along with numerous other plans.

Girls' League Week saw the introduction of new activities. Not only were the traditions of the lollipop sales and the girl-help-boy attitude honored, but Hush Day and Pink Pigtail Days were enthusiastically supported. The Twirp Dance and later the ALM-Girls' League Dance proved to be two of the years better dances. The Dad and Daughter Banquet paid tribute to fathers while the Mr. Ugly Contest recognized those lacking beauty. The May Fete Assembly ended an active year.

NOROC And Boskone

New This Year

NOROC blasted off settling into an orbit of success. Using rockets of their own design and the West Sylvan playfield as their launching pad, they sent rockets and payloads whose complexities rivaled those of Apollo 10 into space. The club also had their own paper which informed people of launching dates and other notes of interest.

Senior Class Play

The class of '69 presented Neil Simon's "The Odd Couple" to an audience of elated spectators. Directed by John Lehman and student Jo Ellen Lucke, this year's senior class production proved to be a roaring success. The two male leads, divorcee Oscar and divorcee-to-be Felix managed to get themselves into many amusing entanglements. After a rip-roaring two night stint, the exhausted cast retired to the traditional cast party, while the other students involved in the production went home to bed!

Black Student Union New to Lincoln's History

Under the leadership of advisor the Reverend E. Boyd Jr. and student President Sharon Miller, Lincoln's newly formed Black Student Union organized such successful projects as The Invisible Man Assembly, Black Culture Week, and instigated an amendment to the Lincoln Constitution making it possible for a B.S.U. Representative to have a position and vote on the Student Body Cabinet.

Popcycles

A smashing kick-off assembly on April 17 introduced the 1969 Lincoln Popcycles, "Happiness is a Re-Run." "The show, a tradition for the past 22 years, proved to be another John Lehman success. Opening the production were John Wilhelmi, Jim Fenwick, and Sandie Newton, who danced to the familiar jingle, "Happiness Is . . . ". Variety acts from thigh-slapping "hambone" to the rocking Soulettes sparked the entertainment. The Centennial theme was interpreted through the dance, beginning with the Charleston, progressing to the samba, polka, and jitterbug, and ending up with a little bugaloo. Lincoln's Centennial Popcycles was climaxed by numbers performed by the Cardettes and The Seldom Six.

"Heh . . . heh . . . heh, would you like a walnetto?" the little old man asks Gladys.

Black Culture Week Captures Student Interest

The Black Student Union, newly formed to unite black students of Lincoln, organized a Black Culture Week in May to acquaint all students with black heritage. The week began with a seminar led by Mr. William McClendon and the Reverend E. Boyd Jr. Tuesday the B.S.U. presented a fashion show with vocal accompaniment by several of their members. Music appreciation was the subject presented Wednesday with participants Bennie Carson and Grace Ross. The Highlight of the week was the Invisible Man Soul Assembly, presented Thursday to the entire student body and repeated later for the community. It included spiritual songs and skits summarizing the accomplishments of many black men in history. A sale of "Soul food" on Friday in the cafeteria completed the week's activities.

The theme for this year's Girls' League Twirp Dance was "100 Years Ago" in keeping with the Centennial year. The decor followed that of the Old West. The cafeteria was decorated like an old western town with a saloon, city hall, blacksmith, and barber shop. People dressed like cowboys and Indians danced to the music of the Sound Vendors. The dance ended a very successful Girls' League Week.

Pilgrimage to Soul was the theme of the joint Girls League and ALM Thanksgiving dance. "The Morning Reign" provided entertaining music for the evening. Bales of hay substituted for chairs, with paper filled gunny sacks, cornstalks, and unusual couples adding to the decor. Talk about unusual couples, even the teachers joined in the festivities. P.S. Unfortunately, this will be Lincoln's last hay dance.

Christmas Formal

The return of the traditional Christmas Formal brought along with it this year the initiation of a Snow Ball Court. Mike Krall and Maria Boone were crowned the first king and queen at ten o'clock, while the other members of the court waited patiently on stage to collect their gifts; magic lollipops.

Mardi Gras

The traditional Mardi Gras Dance and Court, much missed last year, returned bringing with it twice as much enthusiasm and participation. The Court, consisting of two representatives from each class, was ruled by Senior Don Nelson and Junior Debby Chamberlain. Once again the class of '69 came through with a member of the royal court winning either king or queen of the gala affair.

Pep Assemblies

Under the direction of ALM president, O of L president, and the rally members, the star-studded year was sprinkled with four Pep assemblies. The spirited gatherings included surprise speeches from student athletes and a preview of spring rally. Class competition was heated with the seniors leading in victory and the mighty juniors bringing up second place. Pep assemblies inspired Lincoln athletes to even win a few games.

Packwood And Morse

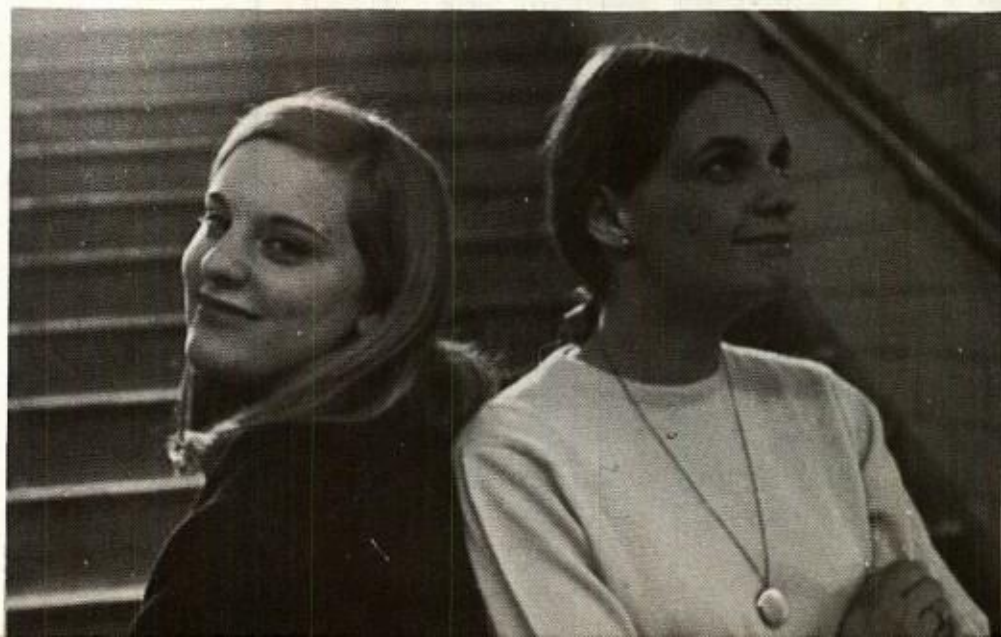

This year Lincoln students had the rare opportunity of seeing here, in person, two outstanding Oregon statesmen and leaders. The two, former U.S. Senator Morse and new U.S. Senator Packwood, were then engaged in a close race for the Senate seat. Delivering speeches on two different days, both left the remainder of their hour talks open for audience participation. Leading the Lincoln students on the Packwood side were Sue Youngman and Jane Coffelt. On Morse's side were Claire Bunting, Nick Moss, and other seniors.

Lincoln Day

Commemorating the birthday of Abraham Lincoln, the annual Lincoln Day Assembly took place on February fourth. The choir sang tunes from the Civil War era and the antique statue of the sixteenth President presided on stage over the captivated student body. Famous alumnus and orator, Frank Branch Riley, delivered a eulogy and charmed the entire audience with his witty humor and touching commentary.

Centennial Kickoff Assembly

Heralding a century of progress, the first event was the kickoff assembly in January. Keynote speaker was Gerry Frank, assistant to Senator Mark Hatfield. Greetings from state, community, school districts, and alumni were brought by the Hon. Clay Myers, secretary of state; R. W. deWeese, president Portland Chamber of Commerce; Dr. M. W. Barnes, school superintendent, and Senior Alumnus Frank Branch Riley. Student planners were Cathy Rosenfeld, Greg Leo, and Rachel Jacky.

Sheratan Centennial Party

Starting off the centennial festivities with a bang, over 800 Lincoln alums gathered at the Sheraton Hotel January 18 for a reunion extravaganza. Celebrated guests such as Frank Branch Riley, past Rose Festival Queen Nancy Mueller, Earl Horenstein, and a tape recording of Mel Blanc added to the excitement. Master of ceremonies, Alan "Punch" Green, led the ex-Lincolmites in song, dance, and a few old rally yells. The party was a complete success thanks to the planning of the adult and student centennial committees.

Centennial Committees Plan Year's Celebration

Centennial committees began working in the spring of 1968 to carry out special projects honoring Lincoln's centennial. Composed of members from each class, the committees were headed by Senior Cathy Rosenfeld and Junior Greg Leo. Planning assemblies, publishing a Centennial book, selling buttons, and assisting in the alumnae party at the Sheraton Motor Inn were but a few of their activities.

Centennial Alumni Assemblies

Attract Celebrities

Two well-known Lincoln alumni, Luther Jerstad and Mel Blanc, honored the student body by returning to their alma mater for individual assemblies. Mr. Jerstad, famous mountaineer, spoke on his historical expedition up the formidable Mount Everest while the audience viewed movies he took at the climax of the climb. Mel Blanc reminisced about his years at Lincoln and ended the sentimental talk with some of his famous Walt Disney and Hanna-Barbra cartoon characters wishing Lincoln and her student body the best in the years to come. Mr. Blanc originated the well-known animated characters in many of America's favorite cartoons.

Another talented alumni assembly was presented by past Rose Festival Queen Nancy Mueller and her singing husband.

Tolkien Folk & Jr. Symphony Assembly

Rounding out this festive Centennial year, Lincoln was honored to have both The Portland Junior Symphony and noted alumnus Prof. Tolkien. The entertainment they both provided ranged from subdued Bach to rollicking folk songs. The student body was very pleased and receptive in both assemblies.

ALM Festivities Varied

Summing up the week's A.L.M. activities was the annual Spring Fling Dance featuring "Little Curtis and the Blues". The preceding week's festivities included a licorice sale, bicycle race, beard growing contest, and of course, the traditional barbeque. Under the expert leadership of A.L.M. President Barry Kurren, this year's Spring Carnival was a huge success.

"Peanut Butter Conspiracy" Arrives for Centennial Dance

A very special dance was granted to Lincoln this year as a result of its Centennial Celebration. With the expert assistance of Tom Boothe and his committee, we were able to employ "The Peanut Butter Conspiracy" — a popular group flown up from Los Angeles to entertain at this extra event. The turnout was fantastic, with multitudes of Lincolmites and their dates attending along with the Student Body Cabinets from surrounding area schools.

Annie Lewis Reigns Over 1969 May Fete

Annie Fay Lewis was crowned Queen Annie I May 9, 1969 by Principal Edwin Schneider. Queen Annie was escorted by Jerry Soga, who assisted her in presiding over the assembly held in her honor. The royal court consisted of Seniors Pam Callas, escorted by Chris Blake; Jane Coffelt, escorted by Tracey Boyce; Pam Herrmann, escorted by Marc Laakso; Cathy Rosenfeld, escorted by Nick Moss; and Denise Utzinger, escorted by Randall Norris.

The first of Queen Annie's duties was to knight eight Lincoln seniors and four members of the faculty for their service and loyalty to the school. Those who were knighted included Senior Counselors Mr. Ryan and Mrs. Bierman, Mrs. Emmons, exchange student Hiromi Awai, Marc Laakso, Princess Cathy Rosenfeld, Mark von Bergen, Tom Boothe, Steve Voorhees, John Mays, Max Bauer, and Sandie Newton.

Climaxed by a 53-0 birthday victory over Washington, the 2-6 Cardinal season wound up toasting the birth-date of now-retired Coach Luke Fiorante. Overlooking the record, the Cardinals can boast many a close and exciting game being on the down side of only one walk-away in the game with Benson.

Remembered most are games with Madison, Cleveland, and Jefferson in which the Lincoln cellar-dwellers almost rose to the rooftops of upset. Washington of the Red division stands out for the Cardinals who in two meetings amassed a total of 72 points to the Colonials 6.

Standouts for the season and gaining honorable mention were seniors Steve Voorhees, John Mays, Robb Mayo, Brecht Babeckos, Dennis Schuman, and juniors George Osgood, Mike Manlove, and Ken Unkeles.

Queen Chris Rules Centennial Football Court

Lincoln High School may be 100 years old, but the tradition of Football Court will always be young. Members of the Football Court are selected by the Varsity team for qualities of poise, personality, and school participation. This year's vivacious court of junior beauties consisted of Mabel Jenkins, Mary Tatum, Pat Lewis, Rita Batiste, Robin Gunsul, and Centennial Queen Chris Lindhjem. Princess escorts were Thad Clark, Ralph Fullerton, Rily O'Ferrall, Bill Brenner, John Roberts, and the Queen's escort was Chris Palaske. Queen Chris was crowned by outgoing Queen Becky Porath on Lincoln's rainy field during half-time of the Lincoln-Jackson game.

Juniors Romp on Seniors

Slipping, Sliding, and slithering, juniors and seniors were pitted against each other in the annual Powder Puff football game on September 14. More concerned about hair and smeared make-up than the score, the girls confined their practices to such places as Healy Heights and Stro's. The game, scheduled for 1:30 was postponed until 2:15 because there was no doctor present. Full of excitement and team spirit, the senior marauders were trampled into the sea of mud by the suppressing juniors. Outstanding seniors were Maria Boone and Pam Callas who went for a T.D. This year, Lincoln's road runners entered the PIL with their number one man, Dave Weinecke. With an overall squad numbering 26, Lincoln proved stiff competition. Weinecke easily took second in the city meet and placed eighth in the state meet involving 190 boys. The JV's put up a good struggle for eighth in the city as did the frosh squad. Coach Bailey has this to say at season's end, "Returning lettermen and JV are a good nucleus for the future."

Despite setbacks on the court the J. V. Rally led the team to the No. 1 ranking in spirit. The Fledgling red-bird rally learned the ropes while giving the team much needed support. Members included Kathy Harmon, Lois Hart, Joan Spratlen, Margurite Boyd, Patty Zahler, and Ceseley Pedersen.

Coach Ryan does not feel that you have to win every game and he practices what he preaches. He is quite happy with the players he coaches and is also confident that many of them will be fighting for varsity berths next year. Those showing the most improvement are Darby Watson, Richard Smith, Joe Pennington, and Bob Burns. Coach Ryan feels that the boys "Did a good job — plenty of hustle — never quit."

Coach Knight's boys were hampered by many injuries. It was doubtful if he would be able to finish the season because of injuries and sickness. After coaching these boys, Coach Knight felt his most outstanding performers were Bob Peters, Doug Smith, Bill Hurst, and Spencer King.

Coach McNaughton's wrestlers boasted four standouts who were undefeated in P.I.L. Dual meets. They were Junior Mark Ellias (115 lbs.), Senior Milo Meskel (123 lbs.), Junior Scott Evans (130 lbs.), and Senior Randy Brasfield (157 lbs.). Varsity II And Freshman Wrestling

Freshman Wrestling Team: TOP LEFT TO RIGHT; Dolph Timmerman, Gordon Usher, Charles Sargeant, Stuart Honeyman, Jim Rau. MIDDLE; Dan Brooks, Bob Saito, John Madden, John Schneider. BOTTOM; Bartin Hyde, Mike Reed, Bill Cameron.

Surpassing preseason expectations Coach Yorges' Varsity II wrestling team compiled a 5-3 record. Highlighting the season were four wrestlers who were undefeated in dual meet competition: Junior co-captains Dick Brooks (115 lbs.) and Chuck Harms (123 lbs) and Seniors Tim Holtink (130 lbs) and Phil Richmond 136 lbs). Other wrestlers showing promise were Sophomores Bill Cameron and Tony Kikes and Juniors Pat Gray and Steve Barker. Although Coach Roumagoux's Freshman wrestling team failed to gain a victory in a disappointing 0-7 season, the young wrestlers showed much potential. Leading wrestlers for the Frosh were Bob Saito and Gordon Usher.

Co-Captain Dic Brooks slams his Washington opponent to the mat.

Bill Cameron counters his opponents single leg takedown in the city tournament.

Co-Captain Chuck Harms scores a single leg take-down in the city tournament.

Greaseball

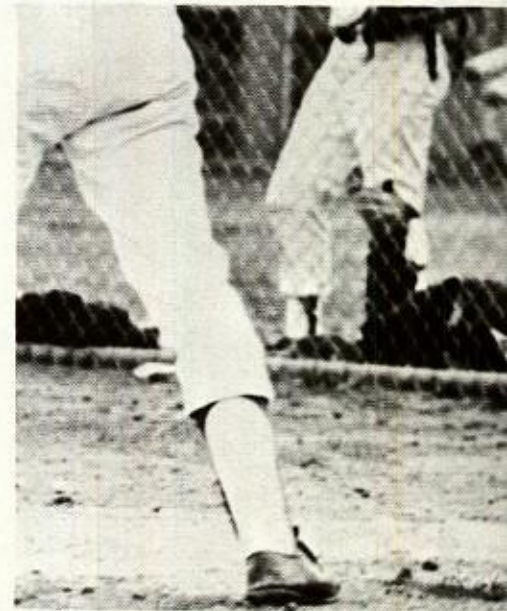

Unfortunately, Ryan's Raiders did not live up to his expectations this year. Even though they did not have a winning season, Coach Ryan felt they had a lot of drive and spirit. Commendations are given to: Don Nelson, The Pivot of the Outfield; Jim Anderson, Excellent Glove Man; Mick Johnson, First String Catcher; Milo Meskel, First String All-City, Utility In-Fielder, PIL All-Star Team. Mr. Ryan feels that next year's team will benefit from the abilities of returning Sophomores and Juniors: Don Dominguez, Craig Lockwood, Mark Illias, Darby Watson, and Bob Saito. Incidentally, this was Coach Ryan's last year as head baseball Coach.

Varsity Track Team Sets Relay Record

The Varsity Track team closed a successful season by taking second in city and placing fifth in state. The Cardinals' only loss of the season came with a fatal drop of the baton in the 440 relay against Grant. The 440 relay went on to take first in state setting a record time of 42.7 seconds. John Mays who ran anchor on the relay placed first in state in the 100 yard dash and was running first in the 220 when he pulled up lame. Other standouts were Terry McGrath in the long jump and Dave Weinecke in the mile and two mile. The mile relay team, which broke the school's records over and over, boasted an outstanding time of 3.26 in the city meet. The relay consisted of Brecht Babeckos, John Mays, Charles Matschek, and Randy Norris.

Coach McNaughton directs javelin throwers.

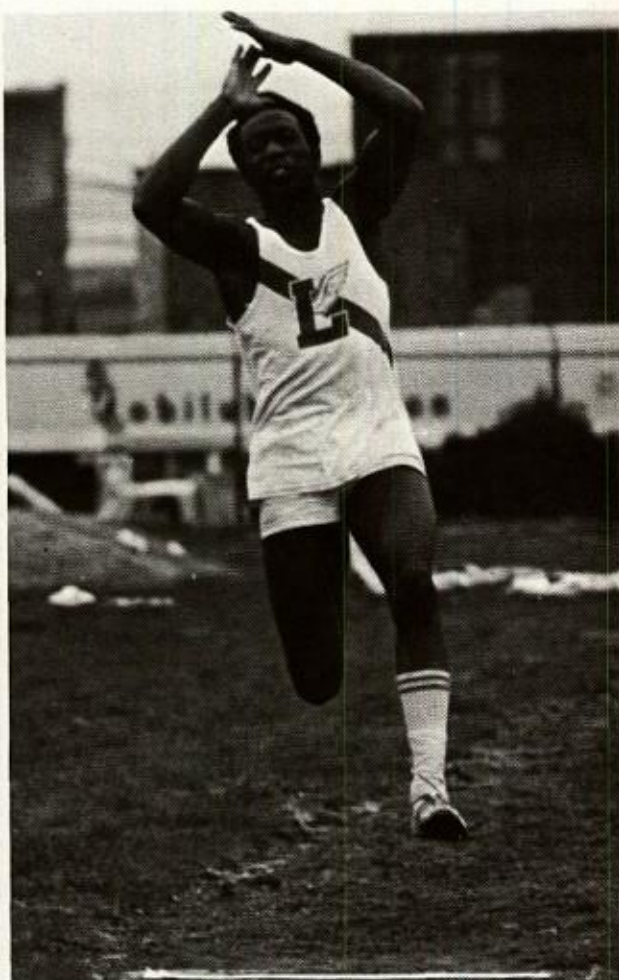

Cameron Hyde unwinds to throw the discus.

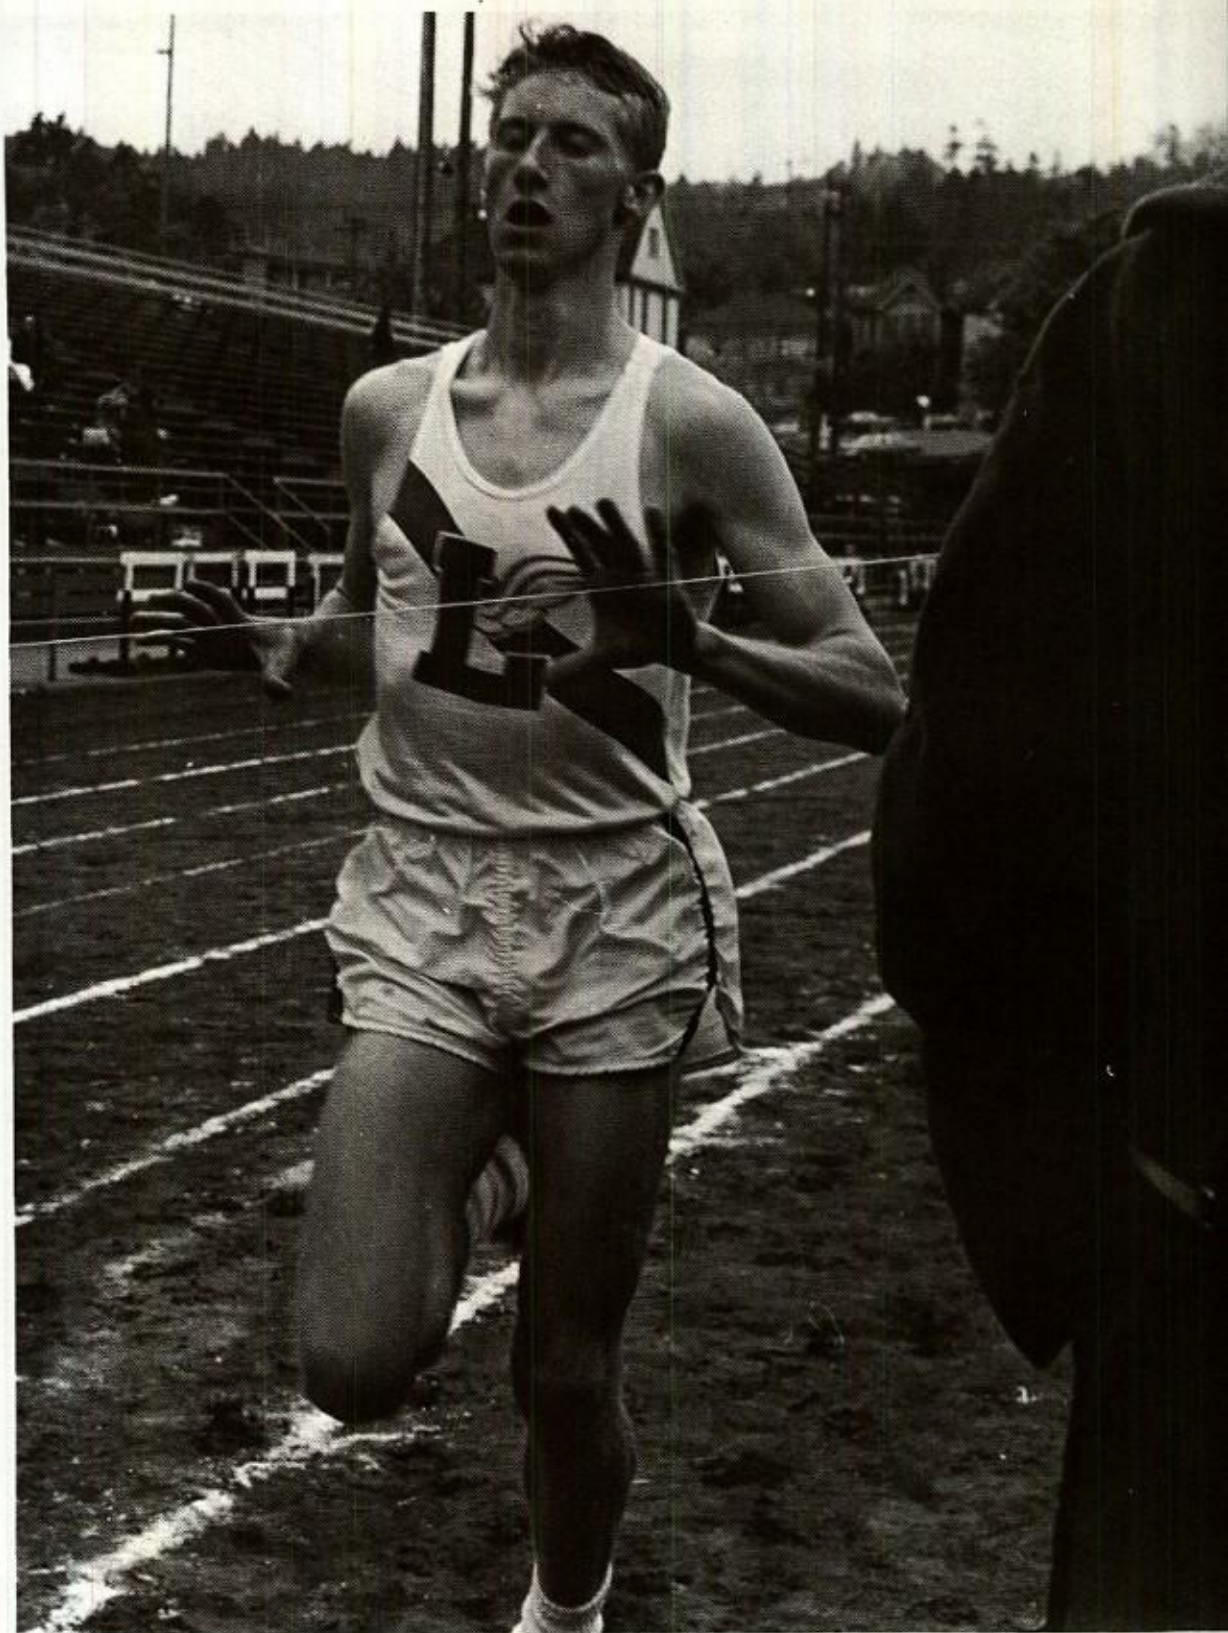

Zorba hands the baton to Charlie Matschek in practice for city meet competition.

JV And Frosh Track Men Chalk Up Outstanding Wins

Posting the upset of the year the Junior Varsity track team outpointed the number one team in the city, Grant 63 to 41. The J.V.'s compiled a 2 and 4 record. Placing 4th in the city track meet they boasted two city champions, Junior Dwight Morse who ran a winning 2:02.9 880-yd. run and Sophomore Larry Davidson winning the discus with a toss of 138 feet. Scott Kelly won the Freshman city mile in 4:42.5 and Doug Smith won the shotput with a heave of 51 feet 1 inch. The Frosh placed 7th in the city track meet and compiled a 2 and 4 record.

Today's Teachers Continue To Turnout Top Students

Hairstyles and skirt lengths are altered; the classroom approach is more informal and relaxed, but today's teachers continue a 100-year-old tradition of turning out superior students. Records list a total of 74 national merit finalists including 11 scholarship winners, one presidential scholar, four Woodrow Wilson fellowships, and four Rhodes scholarships. In addition, many Lincoln graduates have been elected to Phi Beta Kappa through the years.

What is a Lincoln teacher in 1969?

A paper-grader?

An old crab?

A busy-work genius?

Or maybe a first-rate counselor

A cerebral stimulus

An empathetic listener

Sometimes even a friend

Caring enough to be world-aware

To study, to travel

In the pursuit of excellence

Caring enough to become involved

In the problems of the black youth

Or the disadvantaged child

Or the mixed-up kid.

These pages show Lincoln's teachers

Not posing but striving.

Students are their first concern.

Not the wayward bus, but a field trip to the Albina community

The Most Promising Force Is Reason

"Though reason's victories are partial, and its strength always tentative, it is the most attractive, the most promising force we have."

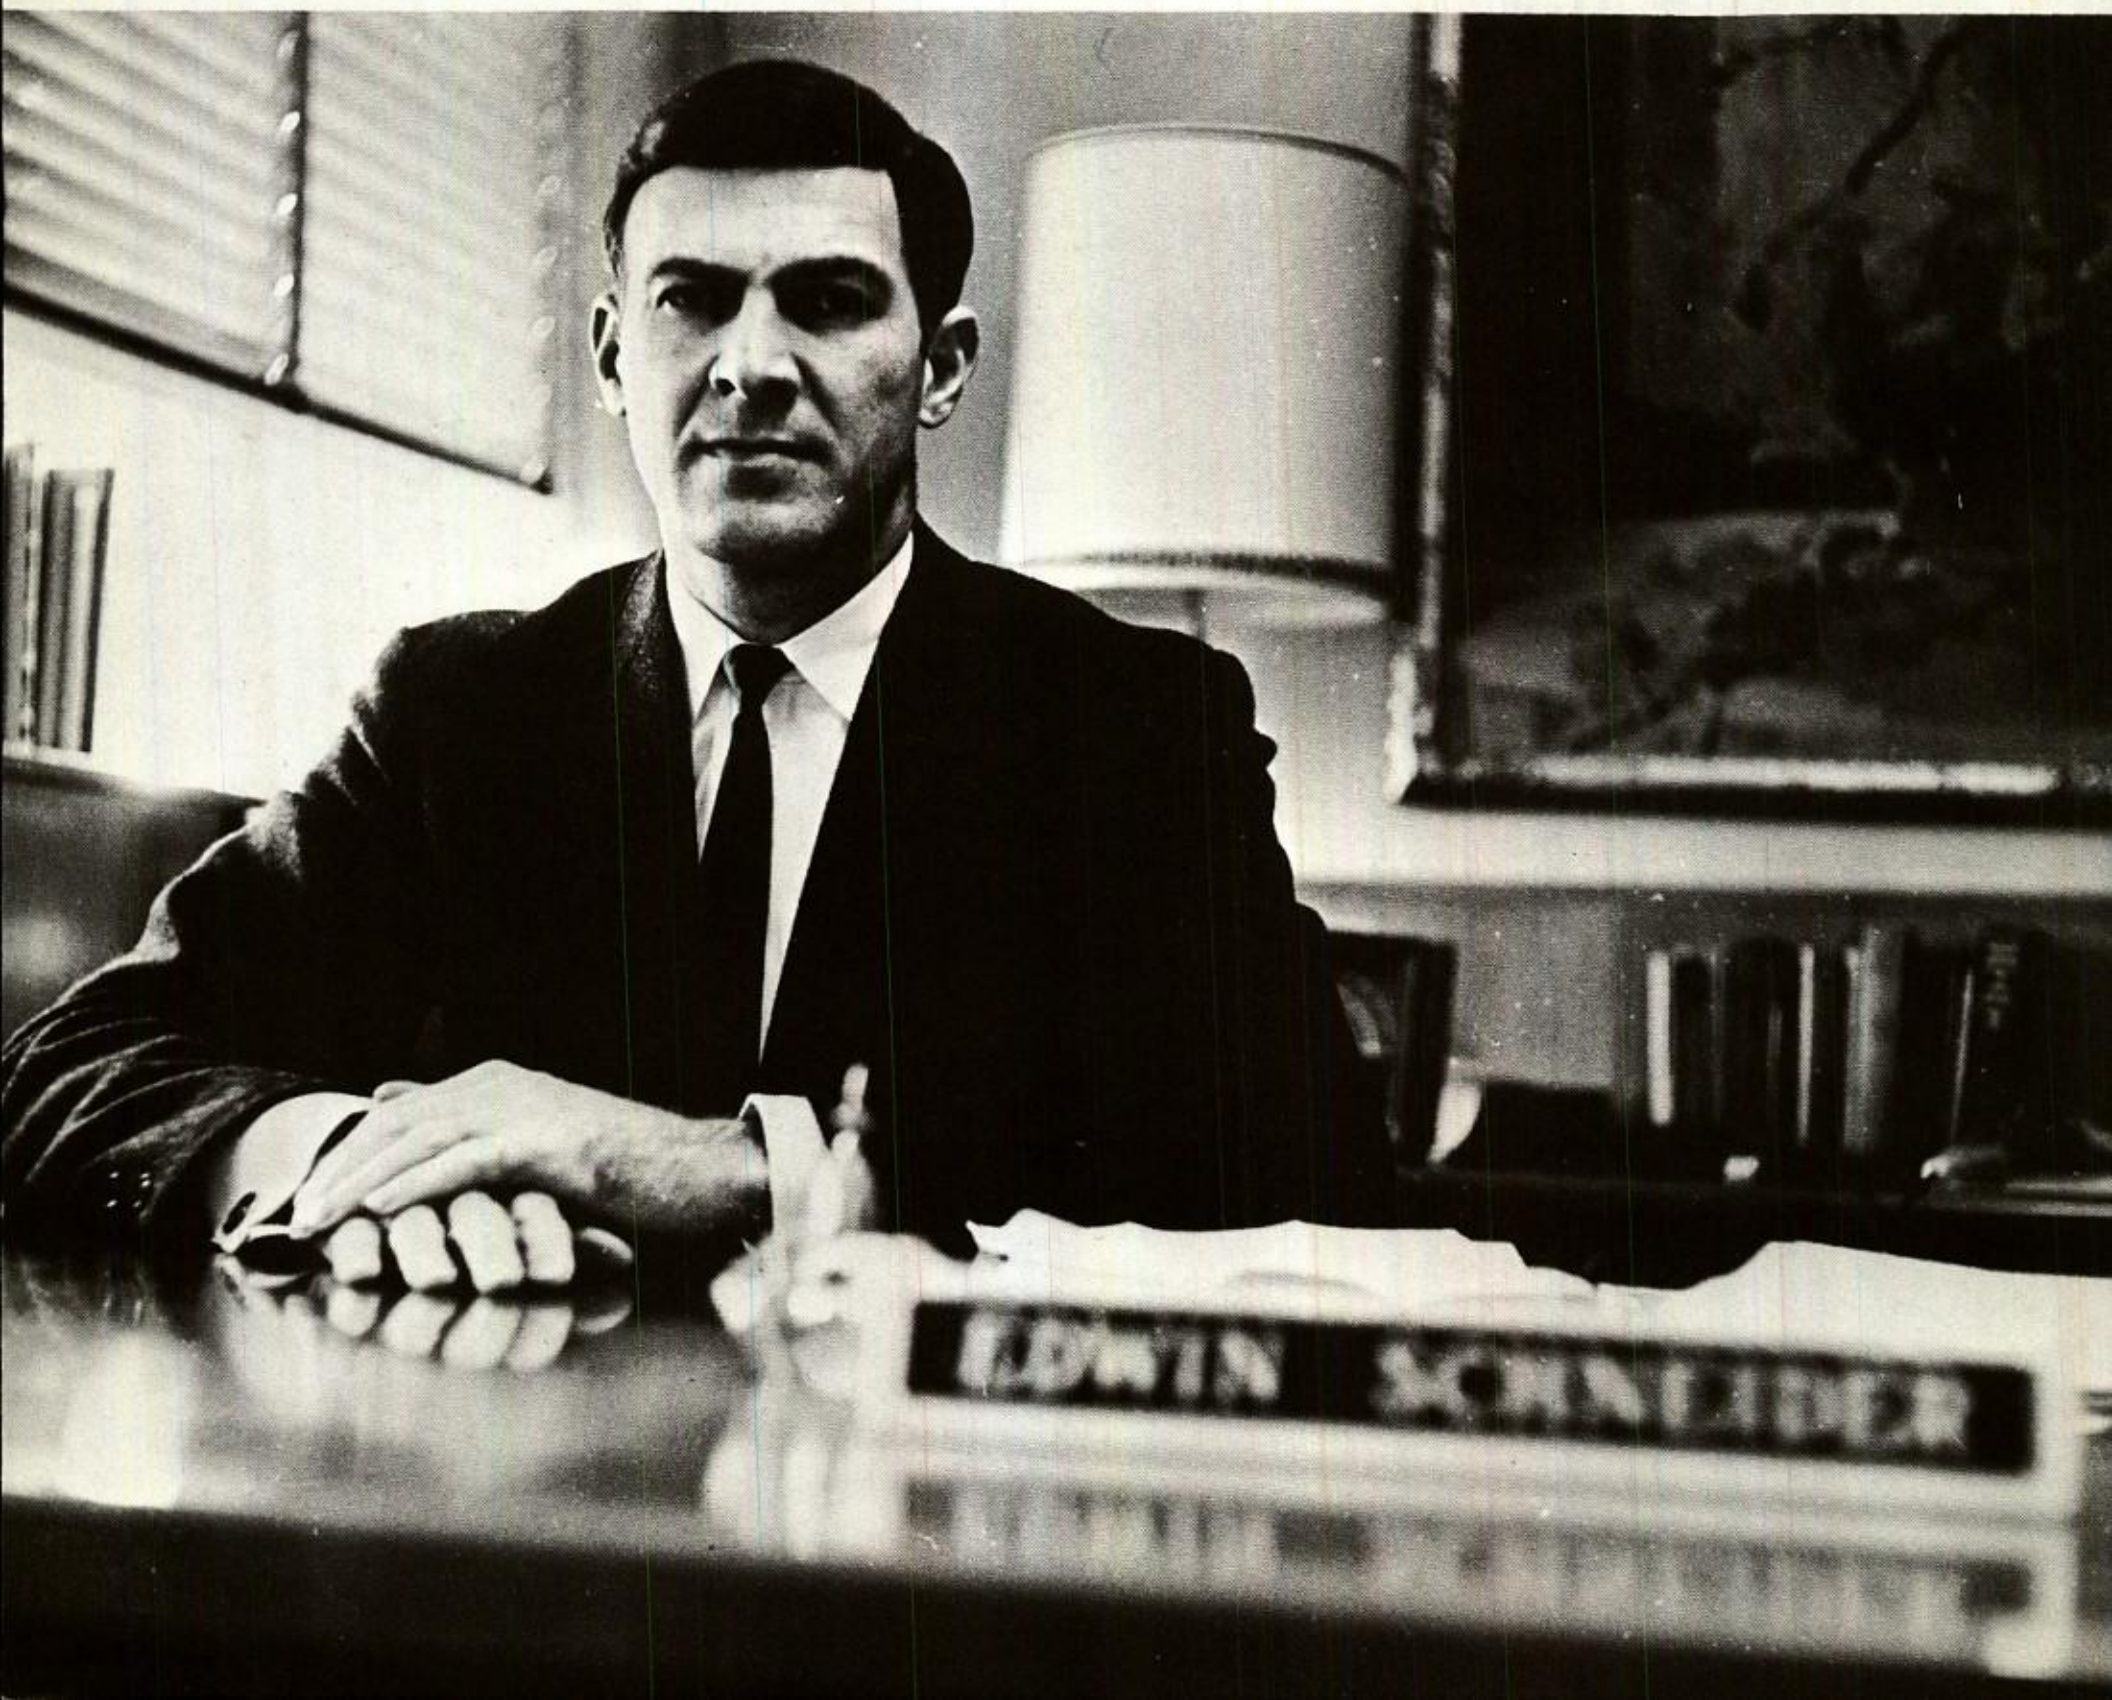

In this truly troubled time in our nation's history, of greatest portent to our future is not the social and economic problems which demand solution; for we shall be able to solve these if we have the patience and the will.

Rather, of greatest portent is the increasing number of people who in solving these problems, are ready to abandon not only humane and civilized means, but the very processes of democracy itself. Those who bully professors, take over buildings, shout speakers down, or burn cities to get what they want are, in fact, creating a problem more serious than any they are trying to solve.

And what shall it profit us, if, no matter how noble our motives, how sincere our convictions, how arduous our efforts as we seek to right social ills, we destroy the very fabric of society itself.

It is my hope you each will join and defend, even with your life, the forces of democracy and reason in which lie our only salvation.

Black Culture, Politics Highlight Social Studies

Activity, enthusiasm, and perception contributed to the success of the history department this year. Under the direction of Mr. Hall, the history program sponsored various assemblies including the visits of Mr. Packwood and Mr. Morse. For the faculty Black Culture classes were introduced. In the classroom, courses in European and American history along with Ameri-

can problems and sociology encouraged students to explore events and problems of both past and present. Looking ahead, history teachers hope to expand the department to include such semester and mini courses as Black History and psychology. More courses designed for the average student are also being considered.

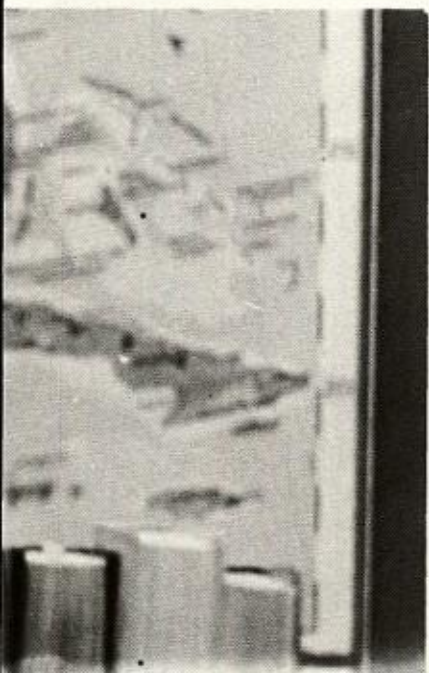

MR. DAVID BAILEY, Freshman social studies and American Problems.

MRS. EDWINA LENINGTON, American History.

MR. ROBERT GARBARINO, American History and American Problems.

Mini Choir = Maxi — Addition to Chorus

"Mini choir", a new addition to the choral department, is designed to develop the quality of its members and to prepare them for senior choir excellence. Music Understanding, a half-year course under the direction of Mr. Pratt, teaches composer's building blocks, which are the elements of music. Band, orchestra, boys and girls glee, and ensemble round out the music program.

MR. FEVREL PRATT, instrumental music

MR. WILBERT POOL, Russian and German

MR. LESLIE WOOD, German

MISS VIRGINIA CALDWELL, French

MRS. JUNE CHAMBERLAIN, Latin

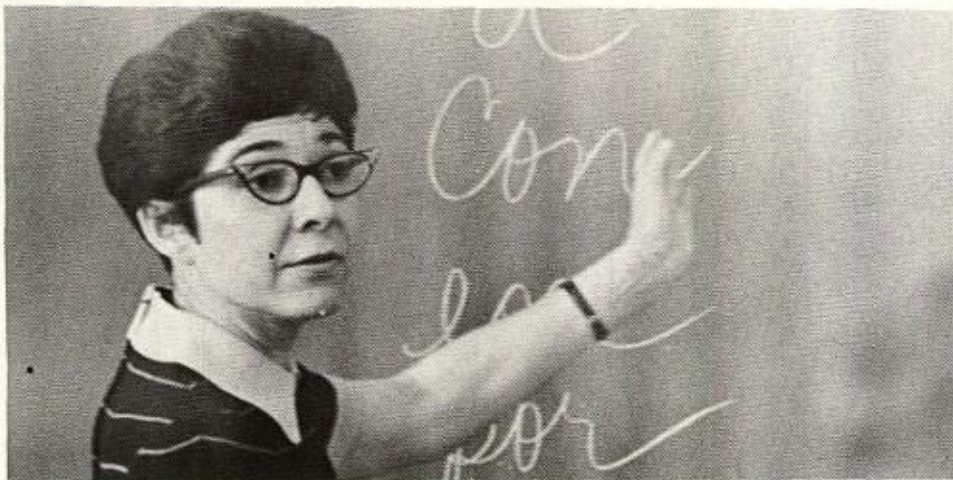

Foreign Language Interest Zooms

This past year over fifty percent of the Lincoln student body enthusiastically participated in the foreign language department. Under the chairmanship of Miss Caldwell, language teachers conducted classes in French, German, Spanish, Russian, and Latin. Strong foundations in speaking, listening, and reading were created while a cultural as well as oral understanding of different peoples was stressed. In the fourth and fifth year classes, advanced students explored the enriching areas of linguistic skills and literature. Instruction often included such aids as records, tapes, and two classroom laboratories.

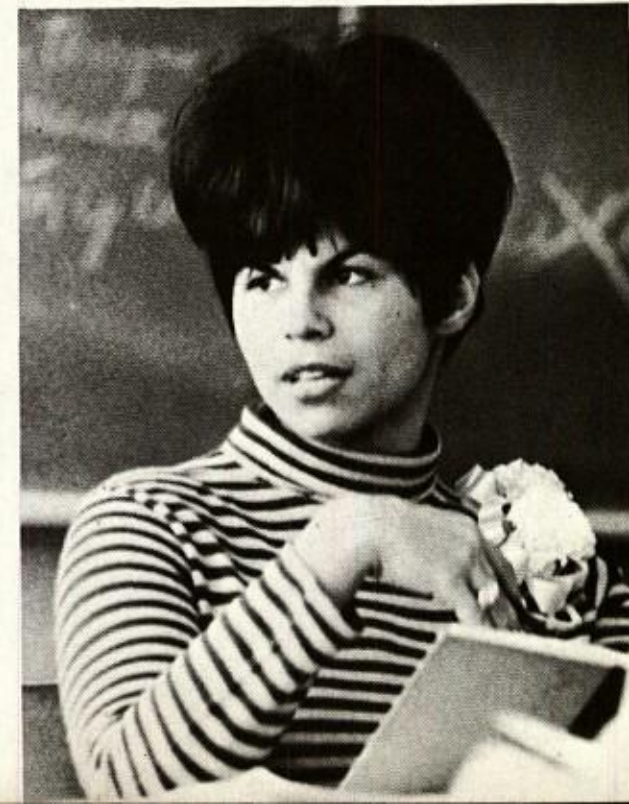

MRS. BLANCHE MASSEY, French

MISS MARLENE PLEINIS, German, French, and English

MRS. DORA SCHRAMM,

Science Stresses Experimentation And Participation

Science, more than ever, has become an important subject. The students are actively involved in experiments and research studies. Mr. Fowlkes' biology students discovered that the bacteria count was high on the floor of the girl's locker room. Seniors in the physics department created an independent study group. Physical and general science and chemistry complete the science curriculum.

MR. LEONARD RICHARDSON, general science, physical science, mathematics.

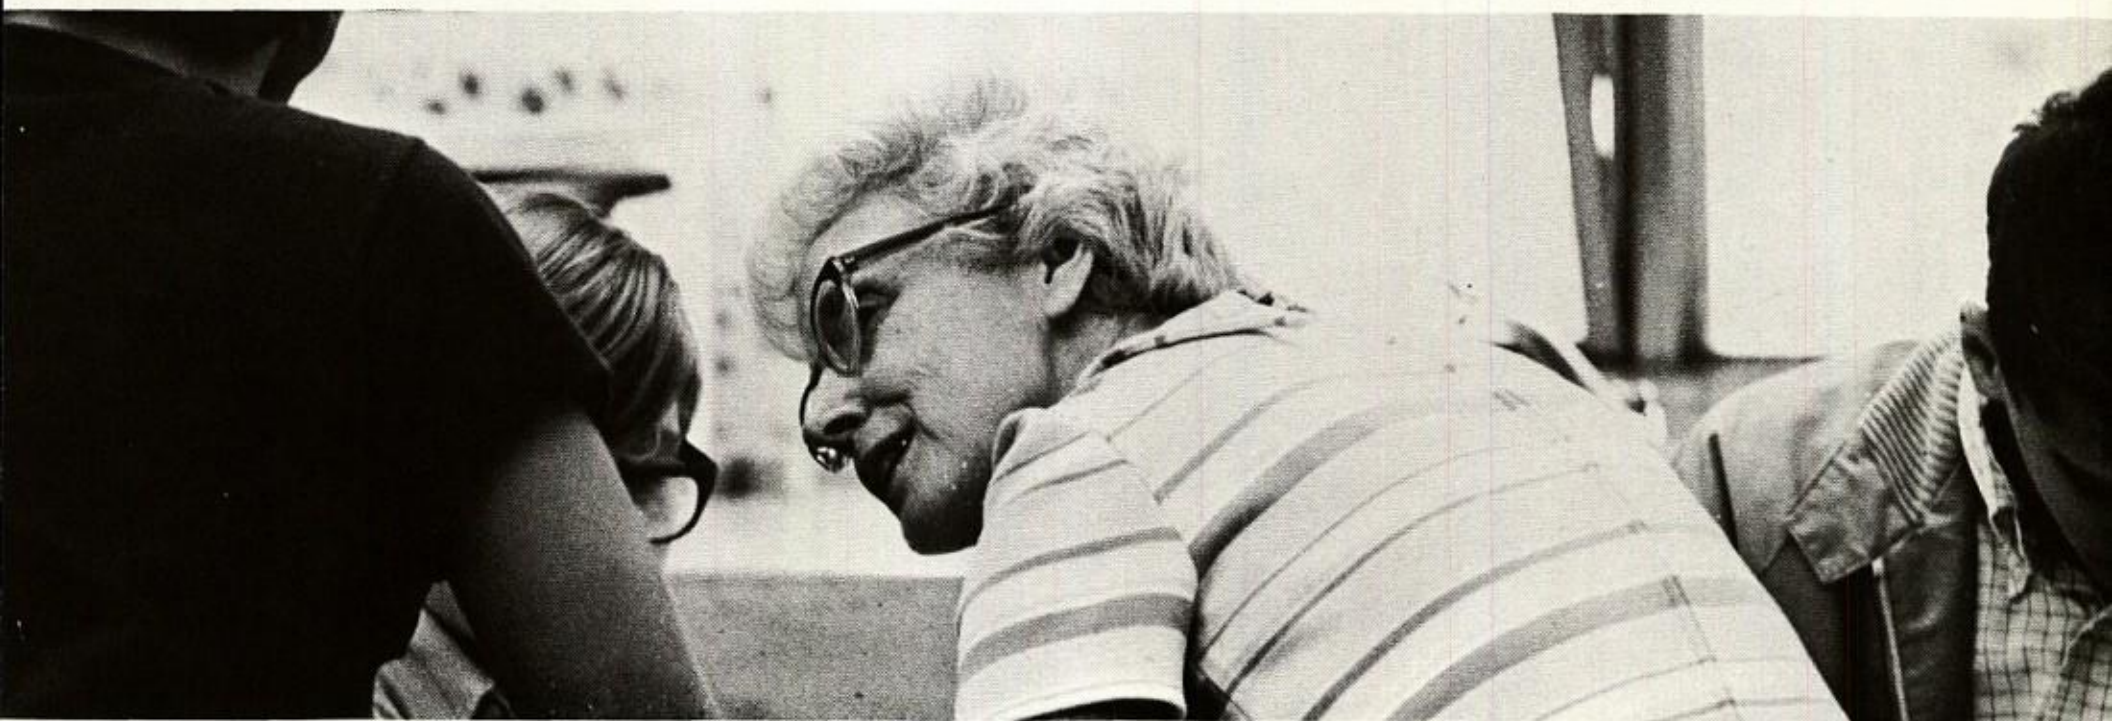

MR. CHARLES KEITH, chemistry, department chairman.

MR. EUGENE COLE, physical science, physics.

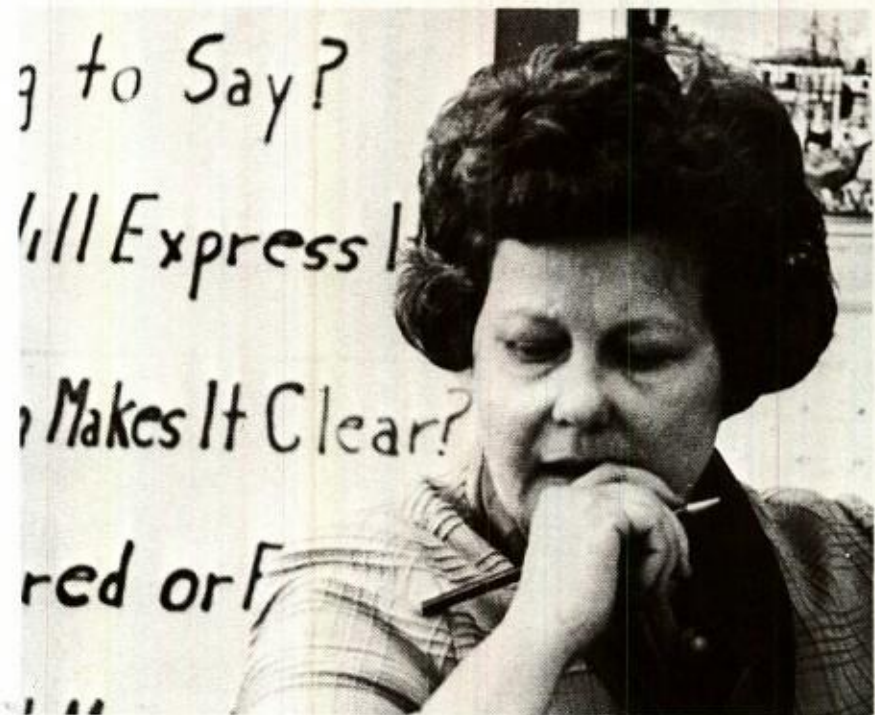

MISS JEAN HILL, biology.

“The Centennial Club” — The Now Thing

“The Centennial Club”, a new enrichment program developed by the English department, served as both a lounge and a resource center. It served as a place for independent reading and television and movie viewing. Next year independent centers for research will be located throughout the school.

MRS. PHYLLIS KNUTSON, junior English and Publications

Basic Skills, Coordination Stressed

Under the direction of department head Al Grove, P.E. offered a number of interesting and exciting programs. Studies in golf, tumbling, apparatus, and modern dance were featured for students with emphasis on development of basic skills and coordination. Volleyball, basketball, badminton, and field activities were other sports enjoyed during the year. "A healthy body is a prerequisite to a healthy mind."

MR. ALLEN GROVE, department chairman boys P.E., health.

MRS. CATHY NELSON, girls P.E. health.

MRS. JEAN CHESHIRE, girls P.E., health.

MRS. MARIE ALLEN, activities coordinator, girls P.E.

MR. R. J. YORGES, boys P.E. health.

Skills Developed!

With eagerness, students in the home economics program launched into a year of fun and productivity. Courses such as baby care and interior decorating occupied the attention of some students while fashion designing and cooking interested others. With the vibration of sewing machines and the divine smell of food, no one could doubt that the home economics department this year was at its greatest.

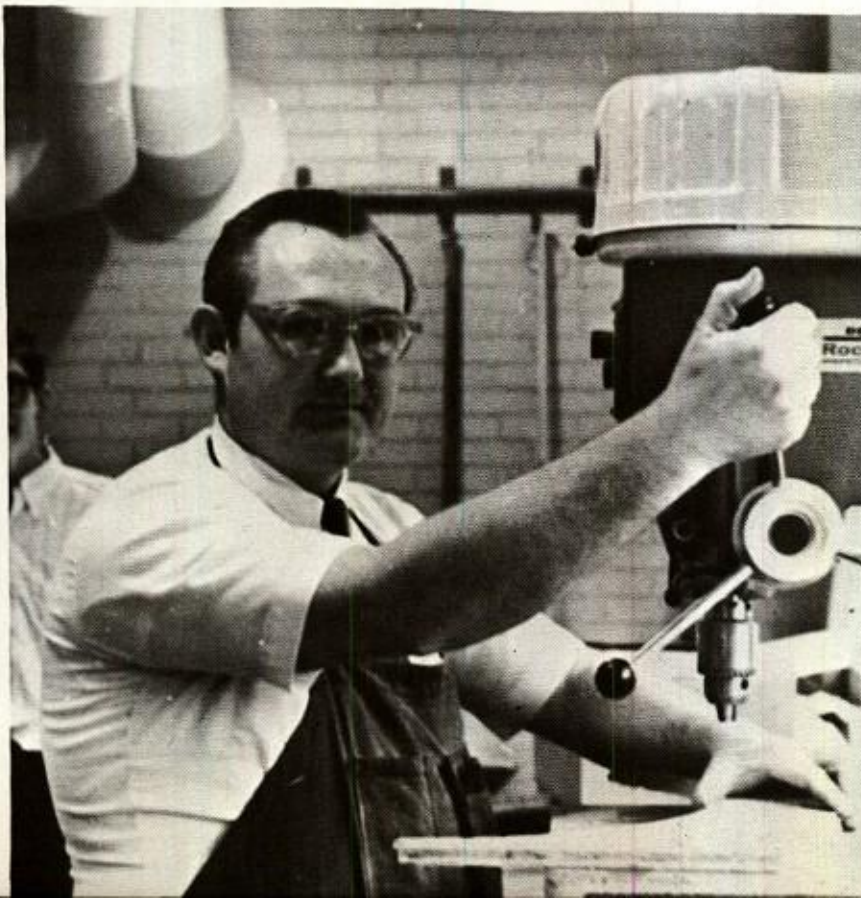

MRS. LANA FRANK, home economics.

MRS. WIRKKALA, homemaking.

MR. GEORGE SIMS, industrial arts and woodworking.

While homemaking courses progressed on the second floor, the industrial arts department actively launched into the school year on the lower level. Challenging projects in the areas of wood, metal, electricity, and mechanical drawing brought rewards to enthusiastic students.

MR. KENNETH KLETZER, industrial arts, architectural drawing and mathematics, drafting and mechanics.

MRS. ELIZABETH PORTWOOD, general art, department chairman.

MR. GLENN McNAUGHTON, introductory algebra, geometry.

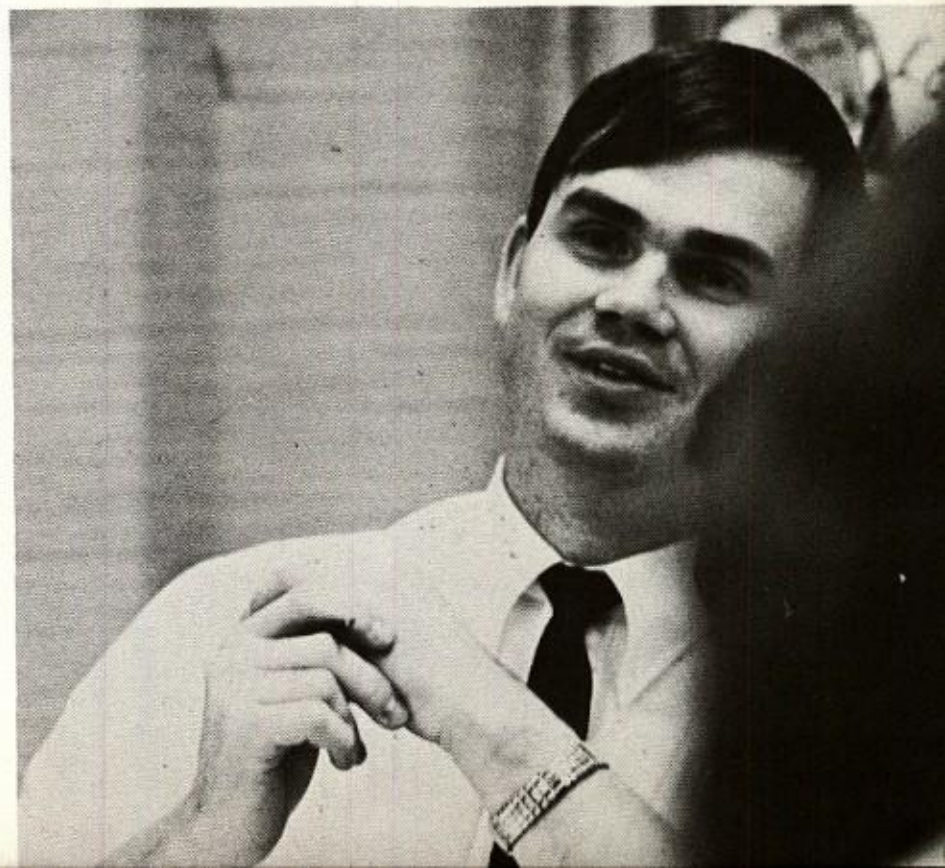

MR. LEE KNIGHT, general mathematics, beginning algebra, geometry.

MR. JOHN FLENNIKEN, beginning algebra, chemistry.

Computers and the space age provide math students with new challenges. The emphasis in mathematics is now "why" rather than "how". Courses ranging from general math to advanced senior math provide every student with the opportunity to take a math class geared to his knowledge and capacities.

Rapid change in today's economy suggests that a substantial percentage of today's high school students will eventually earn their living in jobs that do not yet exist.

Many factors contribute to this swift advance; yet it is the school's function to comprehend them all, and to equip the individual for the future. Portland, and the nation, is fortunate to have had for a century the service of so devoted an institution as Lincoln High School.
